Upcoming teams visiting New Life Foundation:

September: Sharon Savage will be coming with a friend from Florida. They will be holding a crusades and seminars.

New Life Foundation

God's Heart Hurts When Children Hurt

August 2008

Fountain of Zoë

We praise the Lord because the children are doing very well at Fountain of Zoe. There were a few minor health problems but everyone is healthy.

Please continue to pray for the health of the children and staff.

Ronda Dux has gone to FOZ several times and has done activities with the children. The children have painted, colored and other activities.

Baby Esther has now gotten her passport to travel to the USA. Thank you for your continued prayers for this opportunity.

Fountain of Joy News

Fountain of Joy welcomed a new student in August. Her name is Persistol and she comes from a poor home.

One of the girls was delivered of demons and healed of several conditions after Mary and the girls prayed for her.

The girls also had the opportunity to visit the dentist while the team was here from Arkansas. Some teeth were removed and filled.

Fountain of Hope News

Students of Fountain of Hope returned to school August 9th, after a months vacation. Grades 4 & 7 students are preparing and studying for their national exams. After they are finished they will be out of school until January 2009, when they become Form 1 students.

In August, a team from Arkansas visited New Life Foundation with the focus of blessing the children and staff by offering dental services. God did an amazing thing by providing for the team most of the equipment needed for this project. They were able to fill teeth, pull teeth and polish/clean teeth. They were able to see all the grades from nursery to Form 1, the Fountain of Joy girls and most of the staff. The days they did dental work were long filled with many tears but this was an incredible blessing to New Life. There were

members of the team that were not involved with dental work so they went class to class teaching the kids on the importance of taking care of their teeth and how to properly care for their teeth. They also made salvation bracelets with the kids. Thank you again for this amazing blessing!

Fountain of Love News

Under the Fountain of Love department, the team that was here from Arkansas was also able to have time for ministry/outreach. They went to the children's jail where 6 children that just joined the prison gave their lives to the Lord. Mrs. Msangi has reported that for the month of August there have been 9 children that have been saved. The team had a morning where they went into town and did street ministry. They were able to pray for many people. They also did outreach

to a primary school in Moshi. There were about 200 students who received a word of encouragement about the love of God. At the end of August the Form 1/Grade 9 students will be ministering to children who are with the Compassion International program with El-Shaadai church. This will be the first time they will be ministering to this group and will be ongoing. More to come on this ministry in the next newsletter. Please keep this in your prayers.

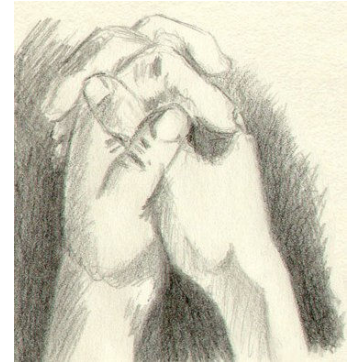

Praise Reports!

- * For the continued health of the students and staff.
- * For the continuous growth of the children at the children's jail.
- * For the continued spiritual growth in all the children.
- * For the continued protection of the children and staff.
- * For the work being done on the temporary Secondary school building.
- * For the great blessing of dental work done to the children and staff at New Life Foundation.

Prayer Requests

- * Pray for the funds and the process for the surgery of baby Esther in the United States.
- * Pray for more sponsors for the children. There are many children that still need sponsors.
- * Please pray for more donors for New Life Foundation.
- * Please pray for provision to finish the temporary secondary school building.
- * Please pray for the continuous spiritual growth in all children and staff at New Life Foundation.
- * Please pray for more staff and teachers in all areas at New Life Foundation. Please pray for the right staff and that God would prepare their hearts to work with NLF.

- * Please pray for more finances for New Life Foundation.
- * Continue to pray for the protection and health of children and staff.

New Life Foundation News

While the students were on break in August, all staff and all new staff members of New Life Foundation were involved in Vision Sharing / Training. This was held over a 2 day period at the school. Mrs. Josephine Shoo shared the vision of New Life Foundation and each of the department heads shared about their departments. Over the past several weeks, 3 members of the NLF staff have been accepted to schools to further their education. Although it is sad to see them leave, we rejoice with them that the Lord has given them these opportunities. We have also had 2 new staff join recently. Please continue to pray for more staff.

Pastor Glorious will be in the United States in the month of October. He will be in the areas of Minnesota/Wisconsin. If you would like to have him at your church or home/cell group, please contact me at: admin@new_lifefoundation.com
