God's Heart Hurts When Children Hurt

October/November 2008

## Fountain of Zoë

We thank the Lord for the continued health of the children at Fountain of Zoë. The children are healthy and growing by leaps and bounds. Many of the staff members from Fountain of Zoë are taking a much needed break at this time.

## Fountain of Joy News

Fountain of Joy has continued on with their schooling. Denise Herd has been going to Fountain of Joy twice a week to teach the girls English. They have been doing well.

In November, the girls took end of the year exams and are now on holiday.

We are also happy to announce the birth of a baby girl to Prosista, a young lady at FOJ.

## Fountain of Hope News

In October the entire school did 3 days of prayer and fasting. As I mentioned in the September newsletter the Form 1 class has been teaching on how to hear the voice of God to the lower primary grades. They have been going to nursery and Grades 1 & 2 as well. During this time of prayer and fasting the staff split up into groups and was assigned to specific grades. When some of the staff went to Grades 1 and 2 they had a short time after prayer to practice what they've been learning. One of the staff members reported 4 students saw the same pictures of a tree. Also this particular staff member saw the same tree. So this is proof that the children have learned and that the young children hear from the Lord. We thank the Lord for this. All the children at Fountain of Hope had end of the term exams and they all did well. On November 14, the school

closed until January 10. The students participated in the closing ceremony where students were recognized for cleanliness, discipline, hard work, etc. Also the top 3 students in each class were recognized.

## Fountain of Love News

The ministry at the children's prison is still going strong. In October, six new children that got saved. In October, the Form 1 class did a 1 week prayer chain where there was prayer for 24 hours a day. Two weeks before school closed for holiday, Form 1 students were the leaders of morning devotions in which the staff and Grades 3 to 6 participated. Their topic was prayer and they did a great job. We'd like to share a testimony of one's students hunger for a touch from the

Lord. One evening after school, while his fellow dorm mates were finishing up some things before heading to bed, Emmanuel (picture to the right) went outside to meet with God. He went with his best clothes and said "God, here I am. I'm clean on the inside and out. I want to hear from you." In a matter of minutes Emmanuel felt the presence of God come over him and he fell to the ground. God spoke to him about a lot of things and ministered to Emmanuel's heart. God also gave him different ideas on how to

encourage and minister to the younger boys at Fountain of Hope. So he was given permission to move to the dormitories of the younger boys from where he was staying, not far from the school, in order to be obedient to what God spoke to him about.

## New Life Foundation News

The first few weeks of November were busy weeks for everyone at New Life with the students taking end of the term exams and preparing for the closure of school for a couple of weeks. There was a lot of marking of exams, cleaning and other preparations. Now that the school is closed until January 10, many of the NLF staff have vacation or some kind of time off.

One of the staff members, Celina, who works in the accounting department gave birth to a healthy baby boy in November. The baby's name is Emmanuel.

In December, all NLF staff will be attending children's ministry training and strategic planning meetings.

There has also been interviews for new staff at NLF. Please continue to pray for the right ones that God has ordained to be with us.

## A Personal Word from Pastor Glorious Shoo

I would like to thank you all for your prayers while I was visiting in the United States. When I arrived, I was received by Jane Howard and Helen French in Missouri. I then stayed with Gabor Siklosi in Missouri. While visiting with the Siklosi family, their church (Hope Community Church) was a great blessing to me. I also had an opportunity to have dinner with the pastor and his wife.

While I was in Springfield I had the opportunity to visit the Assemblies of God Headquarters and had an opportunity to meet with the Africa's Children Director and had a good conversation on possible partnership with NLF. I then went to River of Life Church in Arkansas and was able to speak to the congregation. The church was a huge blessing to me and NLF as a whole. I also had dinner with the pastor. While I was in Arkansas I was hosted by David & Debbie Dillon. At the time I was in Arkansas it was my birthday. So Kim Seger, who was with NLF for one year and others that knew me, planned a special surprise for my birthday. I then made a trip to Grand Rapids, Michigan where I had a very fruitful meeting with the Director of Development for Worldwide Christian Schools. I then travelled to Wisconsin where I was received by Shawn Sislo, who had been in Tanzania before.

After that, I went to Wisconsin and meet Corrine Anton who also had a birthday party for me. While I was in Wisconsin, I spoke at Central Assembly of God in Superior and had lunch with the pastor. The church blessed me financially and with prayers. In the evening, I had time to share the Word in Jesus is Life Church in Duluth, Minnesota. During the weekdays I spoke at a group called Celebrate Recovery and shared with them. While in Minnesota, I also visited with the Kingdom Expansion Pastor of Hosanna Lutheran church, and had good communication of the possibility of partnership with NLF. And at the end of my trip I went back to Wisconsin and had time with people who support children at Fountain of Hope to visit and hear what the Lord is doing at NLF.

I would like to thank you all again for your hospitality, prayers and support while I was in the United States. These things were possible because of your prayers and support. Josephine and I would like to thank you so much for your continued support of New Life Foundation and what the Lord is doing. May God richly bless you!
